#### PATTEN TO MINNEAPOLIS?

Mike Cantillon, of Millers, Says Deal Is Now Pending.

Special to The Washington Herald Milwaukee, Wis., May 26.-Unless present plans miscarry, Case Patten, of Washington, will shortly become a member of the Minneapolis club of the American Association.

While here with the Minneapolis club. Mike Cantillon, brother of the Washington manager, said that a deal for Patten is pending. The Minneapolis club, after losing a number of games early in th season, has struck a winning stride, but Manager Mike thinks another southpaw would be a big help, and believes that Patten is the man who can pull the Millers up in the race.

Washington has obtained waivers on Patten, and if a deal can be arranged Patten will probably be in the American Association before long.
